Become one of our Partners in Play and support the District’s Athletic Programs through unique benefits and impressions in the tens of thousands.

**Memorial Park, 601 Illinois Ave.**
Once the home of Batavia High School’s football field and track, this site was acquired by the District in 1976. As one of the 10 community parks in the district, it now provides the space for many varied activities such as tennis, baseball, soccer, and more. The park features two baseball fields, one lighted softball field, two lighted double-size tennis courts, and a large playground. This park also has a large picnic shelter available for rent.

**West Main Community Park, 40W101 W. Main St.**
The site is currently home to a Bark Park, two full-size basketball courts, a roller hockey court, a baseball field and softball field, two acre fishing pond, and hosts a variety of special events. The park boasts an approximate 1¾ mile walking/jogging path and is used by the Tri-Cities Soccer Association during their spring and fall soccer seasons. This community park is the largest single piece of property in the District and will be the future site of an 8-court pickleball complex.

**Prairie & Lathem Park, 601 Lathem St.**
Prairie and Lathem is one of 10 community parks in the District and is adjacent to Louise White School. The park features a youth-sized baseball field, an adult softball field, three double-size tennis courts, two full court basketball courts, as well as two playgrounds. This park also has a large picnic shelter available for rent.

**Other park options are available**
