

# Batavia Park District Memorial Program

The Batavia Park District Memorial Program is an uplifting way to celebrate and commemorate the life of a loved one or to express sympathy or condolences for the loss of a friend or family member. The District offers several options to memorialize your loved one or to mark a special date or occasion.

## Memorial Trees

Memorial trees leave a lasting legacy, which will grow stronger and blossom with life, year after year. They serve as a living tribute and celebration of life and will be enjoyed by countless generations to come. Trees are planted twice a year, in the spring and fall.

### What's included?

The cost for a Memorial Tree is \$500, which includes the cost of the tree, stone marker and installation. Visit our website at [www.bataviaparks.org](http://www.bataviaparks.org) to view a full list of tree options. The plaque can include up to 4 lines of text with a maximum of 24 characters per line. Please note that staff cannot guarantee placement at your preferred or alternate requested location.

### Tree Warranty

The warranty on a memorial tree is three years. The Batavia Park District will maintain and/or replace the tree for three years from the date of installation. The plaque will be maintained by the District as long as the tree remains in place. In the event a tree dies after three years, the donor will be given the opportunity to purchase a replacement tree.
