AN ORDINANCE providing for the issue of $666,550 General Obligation Limited Tax Park Bonds, Series 2017, of the Batavia Park District, Kane County, Illinois, for the payment of land for parks, for the building, maintaining, improving and protecting of the same and the existing land and facilities of said Park District and for the payment of the expenses incident thereto, providing for the levy of a direct annual tax to pay the principal and interest on said bonds, and authorizing the sale of said bonds to Park Ridge Community Bank.

*       *       *

WHEREAS, the Batavia Park District, Kane County, Illinois (the “District”), is a duly organized and existing Park District created under the provisions of the laws of the State of Illinois, and is now operating under the provisions of the Park District Code of the State of Illinois, and all laws amendatory thereof and supplementary thereto (the “Act”); and

WHEREAS, the needs of the District require the expenditure of not less than the sum of $666,550 for the payment of land condemned or purchased for parks, for the building, maintaining, improving and protecting of the same and the existing land and facilities of the District and for the payment of the expenses incident thereto (the “Project”), all in accordance with the preliminary plans and estimate of cost heretofore approved by the Board of Park Commissioners of the District (the “Board”) and now on file in the office of the Secretary of the Board; and

WHEREAS, the Board finds that it does not have sufficient funds on hand for the purpose aforesaid, and that the cost thereof will be not less than $666,550, and that it is necessary and for the best interests of the District that it borrow the sum of $666,550 and issue bonds of the District to evidence the borrowing; and

WHEREAS, pursuant to and in accordance with the provisions of the Bond Issue Notification Act of the State of Illinois, as amended, the President of the Board, on the 22nd day of October, 2015, executed an Order calling a public hearing (the “Hearing”) for the 17th day of
November, 2015, concerning the intent of the Board to sell bonds in the amount of $2,050,000 for the Project; and

WHEREAS, notice of the Hearing was given (i) by publication at least once not less than seven (7) nor more than thirty (30) days before the date of the Hearing in the Kane County Chronicle, the same being a newspaper of general circulation in the District, and (ii) by posting at least 96 hours before the Hearing a copy of said notice at the principal office of the Board, which notice was continuously available for public review during the entire 96-hour period preceding the Hearing; and

WHEREAS, the Hearing was held on the 17th day of November, 2015, and at the Hearing, the Board explained the reasons for the proposed bond issue and permitted persons desiring to be heard an opportunity to present written or oral testimony within reasonable time limits; and

WHEREAS, the Hearing was finally adjourned on the 17th day of November, 2015; and

WHEREAS, the Board has previously issued bonds in the amount of $665,270 pursuant to such authority for the Project; and

WHEREAS, the Board does hereby find and determine that it is authorized at this time to issue bonds in the amount of $1,384,730 for the Project; and

WHEREAS, the Board deems it advisable, necessary and for the best interests of the District that $666,550 of the bonds so authorized be issued at this time; and

WHEREAS, the Board does hereby find and determine that (a) said bonds shall be issued as limited bonds under the provisions of the Local Government Debt Reform Act of the State of Illinois, as amended (the “Debt Reform Act”), and (b) upon the issuance of the $666,550 General Obligation Limited Tax Park Bonds, Series 2017, now proposed to be issued, the aggregate outstanding unpaid bonded indebtedness of the District, including said bonds, will not exceed .575% of the total assessed valuation of all taxable property in the District as last equalized and
determined, and pursuant to the provisions of the Debt Reform Act and Section 6-4 of the Act, it is not necessary to submit the proposition of issuing said bonds to the voters of the District for approval:

NOW, THEREFORE, BE IT ORDAINED by the Board of Park Commissioners of the Batavia Park District, Kane County, Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Ordinance are full, true and correct and does incorporate them into this Ordinance by this reference.

Section 2. Authorization. It is hereby found and determined that the District has been authorized by law to borrow the sum of $1,384,730 upon the credit of the District and as evidence of such indebtedness to issue bonds of the District in said amount, the proceeds of said bonds to be used for the purpose of paying the cost of the Project, and it is necessary and for the best interests of the District that there be issued at this time $666,550 of the bonds so authorized.

Section 3. Bond Details. There be borrowed on the credit of and for and on behalf of the District the sum of $666,550 for the purpose aforesaid; and that bonds of the District (the "Bonds") shall be issued in said amount and shall be designated "General Obligation Limited Tax Park Bonds, Series 2017." The Bonds shall be dated February 1, 2017, and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of $5.00 each and authorized integral multiples thereof, shall be numbered 1 and upward, shall become due and payable (without option of prior redemption) on November 1, 2017, and shall bear interest at the rate of 1.81% per annum.

The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being
payable on November 1, 2017. Interest on each Bond shall be paid by check or draft of Park
Ridge Community Bank, Park Ridge, Illinois (the "Bond Registrar"), payable upon presentation
in lawful money of the United States of America, to the person in whose name such Bond is
registered at the close of business on October 15, 2017. The principal of the Bonds shall be
payable in lawful money of the United States of America at the principal office of the Bond
Registrar.

The Bonds shall be signed by the President and Secretary of the Board, and shall be
countersigned by the Treasurer of the Board, and the seal of the District shall be affixed thereto
or printed thereon, and in case any officer whose signature shall appear on any Bond shall cease
to be such officer before the delivery of such Bond, such signature shall nevertheless be valid
and sufficient for all purposes, the same as if such officer had remained in office until delivery.
If the Secretary or the Treasurer of the Board is unable to perform the duties of his or her
respective office, then their duties under this Ordinance shall be performed by the Assistant
Secretary or the Assistant Treasurer of the Board, respectively.

All Bonds shall have thereon a certificate of authentication substantially in the form
hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the District
and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or
be entitled to any security or benefit under this Ordinance unless and until such certificate of
authentication shall have been duly executed by the Bond Registrar by manual signature, and
such certificate of authentication upon any such Bond shall be conclusive evidence that such
Bond has been authenticated and delivered under this Ordinance. The certificate of
authentication on any Bond shall be deemed to have been executed by the Bond Registrar if
signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same
officer sign the certificate of authentication on all of the Bonds issued hereunder.
Section 4.  Registration of Bonds; Persons Treated as Owners. The District shall cause books (the "Bond Register") for the registration and for the transfer of the Bonds as provided in this Ordinance to be kept at the principal office of the Bond Registrar, which is hereby constituted and appointed the registrar of the District. The District is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the District for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by, the registered owner or his attorney duly authorized in writing, the District shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of other authorized denominations. The execution by the District of any fully registered Bond shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond, provided, however, the principal amount of outstanding Bonds authenticated by the Bond Registrar shall not exceed the authorized principal amount of Bonds less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on October 15, 2017, and ending at the opening of business on November 1, 2017.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal
representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the District or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Section 5. Form of Bond. The Bonds shall be in substantially the following form; provided, however, that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph [2] and the legend, “See Reverse Side for Additional Provisions”, shall be omitted and paragraphs [6] through [9] shall be inserted immediately after paragraph [1]:

The Bonds hereby authorized shall be executed as in this Ordinance provided as soon after the passage hereof as may be, and thereupon be deposited with the Treasurer of the Board, and be by said Treasurer delivered to Park Ridge Community Bank, Park Ridge, Illinois, the purchaser thereof (the "Purchaser"), upon receipt of the purchase price therefor, the same being par, plus any accrued interest the date of delivery. The contract for the sale of the Bonds heretofore entered into (the "Purchase Contract") is in all respects ratified, approved and confirmed, it being hereby found and determined that the Bonds have been sold at such price and bear interest at such rates that neither the true interest cost (yield) nor the net
interest rate received upon such sale exceed the maximum rate otherwise authorized by Illinois law and that the Purchase Contract is in the best interests of the District and that no person holding any office of the District, either by election or appointment, is in any manner financially interested directly in his own name or indirectly in the name of any other person, association, trust or corporation, in the Purchase Contract.

The use by the District of the Term Sheet relating to the Bonds, in substantially the form now before the Board (the "Term Sheet"), is hereby ratified, approved and authorized; the execution and delivery of the Term Sheet is hereby authorized; and the officers of the Board are hereby authorized to take any action as may be required on the part of the District to consummate the transactions contemplated by the Purchase Contract, this Ordinance, the Term Sheet and the Bonds.

Section 7. Tax Levy. In order to provide for the collection of a direct annual tax to pay the interest on the Bonds as it falls due, and also to pay and discharge the principal thereof at maturity, there be and there is hereby levied upon all the taxable property within the District a direct annual tax for each of the years while the Bonds or any of them are outstanding, and that there be and there is hereby levied upon all of the taxable property in the District, the following direct annual tax, to-wit:

<table>
<thead>
<tr>
<th>FOR THE YEAR</th>
<th>A TAX TO PRODUCE THE SUM OF:</th>
</tr>
</thead>
<tbody>
<tr>
<td>2016</td>
<td>$675,598.42 for interest and principal up to and including November 1, 2017</td>
</tr>
</tbody>
</table>

Principal or interest maturing at any time when there are not sufficient funds on hand from the foregoing tax levy to pay the same shall be paid from the general funds of the District, and the fund from which such payment was made shall be reimbursed out of the taxes hereby levied when the same shall be collected.
The District covenants and agrees with the purchasers and the holders of the Bonds that so long as any of the Bonds remain outstanding, the District will take no action or fail to take any action which in any way would adversely affect the ability of the District to levy and collect the foregoing tax levy and the District and its officers will comply with all present and future applicable laws in order to assure that the foregoing taxes will be levied, extended and collected as provided herein and deposited in the fund established to pay the principal of and interest on the Bonds.

Section 8. Filing of Ordinance. Forthwith upon the passage of this Ordinance, the Secretary of the Board is hereby directed to file a certified copy of this Ordinance with the County Clerk of The County of Kane, Illinois (the “County Clerk”), and it shall be the duty of the County Clerk to in and for the year 2016 ascertain the rate necessary to produce the tax herein levied, and extend the same for collection on the tax books against all of the taxable property within the District in connection with other taxes levied in said year for general park purposes, in order to raise the amount aforesaid and in said year such annual tax shall be computed, extended and collected in the same manner as now or hereafter provided by law for the computation, extension and collection of taxes for general park purposes of the District, and when collected, the taxes hereby levied shall be placed to the credit of a special fund to be designated “Park Bond and Interest Fund of 2017” (the “Bond Fund”), which taxes are hereby irrevocably pledged to and shall be used only for the purpose of paying the principal of and interest on the Bonds.

Section 9. Limitation on Extension; General Obligation Pledge; Additional Obligations. Notwithstanding any other provision of this Ordinance, the annual amount of the taxes to be extended by the County Clerk to pay the Bonds and all other limited bonds (as defined in the Debt Reform Act) hereafter issued by the District shall not exceed the debt service
extension base (as defined in the Property Tax Extension Limitation Law of the State of Illinois, as amended) of the District (the “Base”).

No limit, however, exists on the rate of the direct annual tax levied herein, and the Bonds shall constitute a general obligation of the District.

The District is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the District’s limited bonds.

Section 10. Use of Bond Proceeds. Any accrued interest received on the delivery of the Bonds is hereby appropriated for the purpose of paying first interest due on the Bonds and is hereby ordered deposited into the Bond Fund. The principal proceeds of the Bonds and any premium received from the sale of the Bonds are hereby appropriated to pay the costs of issuance of the Bonds and for the purpose of paying the cost of the Project, and that portion thereof not needed to pay such costs of issuance is hereby ordered deposited into the Capital Improvement Account of the District (the “Project Fund”). At the time of the issuance of the Bonds, the costs of issuance of the Bonds may be paid by the Purchaser on behalf of the District from the proceeds of the Bonds.

Section 11. Non-Arbitrage and Tax-Exemption. One purpose of this Section is to set forth various facts regarding the Bonds and to establish the expectations of the Board and the District as to future events regarding the Bonds and the use of Bond proceeds. The certifications, covenants and representations contained herein (except for paragraph 7.10) and at the time of the Closing are made on behalf of the District for the benefit of the owners from time to time of the Bonds. In addition to providing the certifications, covenants and representations contained herein, the District hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation,
making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the hereinafter defined Code or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The District acknowledges that, in the event of an examination by the Internal Revenue Service (the "IRS") of the Bonds, under present rules, the District may be treated as a "taxpayer" in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination. The Board and the District certify, covenant and represent as follows:

1.1. Definitions. In addition to such other words and terms used and defined in this Ordinance, the following words and terms used in this Section shall have the following meanings unless, in either case, the context or use clearly indicates another or different meaning is intended:

"Affiliated Person" means a Person that is affiliated with another Person (including the District) because either (a) at any time during the six months prior to the execution and delivery of the Bonds, more than five percent of the voting power of the governing body of either Person is in the aggregate vested in the other Person and its directors, officers, owners, and employees, or (b) during the one-year period beginning six months prior to the execution and delivery of the Bonds, the composition of the governing body of the Person (or any Person that controls the Person) is modified or established to reflect (directly or indirectly) representation of the interests of the other Person (or there is an agreement, understanding, or arrangement relating to such a modification or establishment during that one-year period).

"Bond Counsel" means Chapman and Cutler LLP or any other nationally recognized firm of attorneys experienced in the field of municipal bonds whose opinions are generally accepted by purchasers of municipal bonds.

"Capital Expenditures" means costs of a type that would be properly chargeable to a capital account under the Code (or would be so chargeable with a proper election) under federal income tax principles if the District were treated as a corporation subject to federal income taxation, taking into account the definition of Placed-in-Service set forth herein.

"Closing" means the first date on which the District is receiving the purchase price for the Bonds.

“Commingled Fund” means any fund or account containing both Gross Proceeds and an amount in excess of $25,000 that are not Gross Proceeds if the amounts in the fund or account are invested and accounted for, collectively, without regard to the source of funds deposited in the fund or account. An open-ended regulated investment company under Section 851 of the Code is not a Commingled Fund.

“Control” means the possession, directly or indirectly through others, of either of the following discretionary and non-ministerial rights or powers over another entity:

(a) to approve and to remove without cause a controlling portion of the governing body of a Controlled Entity; or

(b) to require the use of funds or assets of a Controlled Entity for any purpose.

“Controlled Entity” means any entity or one of a group of entities that is subject to Control by a Controlling Entity or group of Controlling Entities.

“Costs of Issuance” means the costs of issuing the Bonds, including underwriters’ discount and legal fees.

“Gross Proceeds” means amounts in the Bond Fund and the Project Fund.

“Issue Price” of any group of substantially identical Bonds or of any other obligations issued for money or marketable securities is the price at which the obligations of that group are first offered for sale to the public (not including any bond houses, brokers, or persons acting in the capacity of underwriters, or wholesalers) so long as on the date that the District (or other entity issuing such obligations) sold such obligations, it was reasonably expected that at least 10% of each group of substantially identical bonds
would be sold for such offering price. The "Issue Price" of any group of substantially identical obligations sold by the issuer of such obligations to an investor that expects to hold the obligations as an investor to maturity is the market price paid by such investor. The "Issue Price" of any obligations issued for property other than cash or marketable securities is determined under appropriate regulations.

"Person" means and includes any individual, body politic, governmental unit, agency or authority, trust, estate, partnership, association, company, corporation, joint-stock company, syndicate, group, pool, joint venture, other unincorporated organization or group, or group of any of the above.

"Placed-in-Service" means the date on which, based on all facts and circumstances (a) a facility has reached a degree of completion that would permit its operation at substantially its design level and (b) the facility is, in fact, in operation at such level.

Private Business Use includes any formal or informal arrangement with any Person other than a state or local governmental unit (i) that conveys special legal entitlements to any portion of the Project, or (ii) under which any Person other than a state or local governmental unit has any special economic benefit with respect to any portion of the Project that is not available for use by the general public.

"Qualified Administrative Costs of Investments" means (a) reasonable, direct administrative costs (other than carrying costs) such as separately stated brokerage or selling commissions but not legal and accounting fees, recordkeeping, custody and similar costs; or (b) all reasonable administrative costs, direct or indirect, incurred by a publicly offered regulated investment company or an External Commingled Fund.

"Qualified Tax Exempt Obligations" means (a) any obligation described in Section 103(a) of the Code, the interest on which is excludable from gross income of the owner thereof for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax imposed by Section 55 of the Code; (b) an interest in a regulated investment company to the extent that at least ninety-five percent of the income to the holder of the interest is interest which is excludable from gross income under Section 103 of the Code of any owner thereof for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax imposed by Section 55 of the Code; and (c) certificates of indebtedness issued by the United States Treasury pursuant to the Demand Deposit State and Local Government Series program described in 31 C.F.R. pt. 344 (this clause (c) applies only to demand deposit SLGS, not to other types of SLGS).

"Sale Proceeds" means amounts actually or constructively received from the sale of the Bonds, including (a) amounts used to pay underwriter's discount or compensation, (b) accrued interest, other than accrued interest for a period not greater than one year before Closing but only if it is to be paid within one year after Closing and (c) amounts derived from the sale of any right that is part of the terms of a Bond or is otherwise associated with a Bond (e.g., a redemption right).

"Yield" means that discount rate which when used in computing the present value of all payments of principal and interest paid and to be paid on an obligation produces an amount equal to the obligation's purchase price (or in the case of the Bonds, the Issue Price as established in Section 5.1), including accrued interest. For purposes of computing the Yield on the Bonds and on investments, the same compounding interval (which must be an interval of not more than one year) and standard financial conventions (such as a 360-day year) must be used.

"Yield Reduction Payment" means a rebate payment or any other amount paid to the United States in the same manner as rebate amounts are required to be paid or at such other time or in such manner as the IRS may prescribe that will be treated as a reduction in Yield of an investment under the Regulations.

2.1. Purpose of the Bonds. The Bonds are being issued to finance the Project in a prudent manner consistent with the revenue needs of the District. A breakdown of the sources and uses of funds is set forth in the preceding Section of this Ordinance. Except for any accrued interest on the Bonds used to pay first interest due on the Bonds, no proceeds of the Bonds will be used more than 30 days after the date of issue of the Bonds for the purpose of paying any principal or interest on any issue of bonds, notes, certificates or warrants or on any installment contract or other obligation of the District or for the purpose of replacing any funds of the District used for such purpose.

2.2. The Project—Binding Commitment and Timing. The District has incurred or will, within six months of the Closing, incur a substantial binding obligation (not
subject to contingencies within the control of the District or any member of the same Controlled Group as the District) to a third party to expend at least five percent of the Sale Proceeds on the Project. It is expected that the work of acquiring and constructing the Project and the expenditure of amounts deposited into the Project Fund will continue to proceed with due diligence through the last date shown on the draw schedule to be attached to the Treasurer’s Receipt as an Exhibit (the “Exhibit”) at the time of Closing, which is no later than three years after Closing, at which time it is anticipated that all Sale Proceeds and investment earnings thereon will have been spent.

2.3. **Reimbursement.** With respect to expenditures for the Project paid within the 60 day period ending on this date and with respect to which no declaration of intent was previously made, the District hereby declares its intent to reimburse such expenditures and hereby allocates Sale Proceeds in the amount indicated in the Treasurer’s Receipt to be delivered in connection with the issuance of the Bonds to reimburse said expenditures. Otherwise, none of the Sale Proceeds or investment earnings thereon will be used for Reimbursed Expenditures.

2.4. **Working Capital.** All Sale Proceeds and investment earnings thereon will be used, directly or indirectly, to finance Capital Expenditures other than the following:

(a) working capital expenditures directly related to Capital Expenditures financed by the Bonds, in an amount not to exceed five percent of the Sale Proceeds;

(b) payments of interest on the Bonds for a period commencing at Closing and ending on the later of the date three years after Closing or one year after the date on which the Project is Placed-in-Service;

(c) Costs of Issuance and Qualified Administrative Costs of Investments;

(d) payments of rebate or Yield Reduction Payments made to the United States;

(e) principal of or interest on the Bonds paid from unexpected excess Sale Proceeds and investment earnings thereon; and

(f) investment earnings that are commingled with substantial other revenues and are expected to be allocated to expenditures within six months of the date commingled.

2.5. **Consequences of Contrary Expenditure.** The District acknowledges that if Sale Proceeds and investment earnings thereon are spent for non-Capital Expenditures other than as permitted by paragraph 2.4 hereof, a like amount of then available funds of the District will be treated as unspent Sale Proceeds.
2.6. **Payments to District or Related Persons.** The District acknowledges that if Sale Proceeds or investment earnings thereon are transferred to or paid to the District or any member of the same Controlled Group as the District, those amounts will not be treated as having been spent for federal income tax purposes. However, Sale Proceeds or investment earnings thereon will be allocated to expenditures for federal income tax purposes if the District uses such amounts to reimburse itself for amounts paid to Persons other than the District or any member of the same Controlled Group as the District, *provided* that the original expenditures were paid on or after Closing or are permitted under paragraph 2.3 of this Section, and *provided* that the original expenditures were not otherwise paid out of Sale Proceeds or investment earnings thereon or the proceeds of any other borrowing. Any Sale Proceeds or investment earnings thereon that are transferred to or paid to the District or any member of the same Controlled Group as the District (other than as reimbursement permitted by paragraph 2.3 or as a result of investment earnings commingling under paragraph 2.4(f)) will remain Sale Proceeds or investment earnings thereon, and thus Gross Proceeds, until such amounts are allocated to expenditures for federal income tax purposes. If the District does not otherwise allocate any such amounts to expenditures for the Project or other expenditures permitted under this Ordinance, any such amounts will be allocated for federal income tax purposes to the next expenditures, not otherwise paid out of Sale Proceeds or investment earnings thereon or the proceeds of any other borrowing, for interest on the Bonds prior to the later of the date three years after Closing or one year after the date on which the Project is Placed-in-Service. The District will consistently follow this accounting method for federal income tax purposes.

2.7. **Investment of Bond Proceeds.** Not more than 50% of the Sale Proceeds and investment earnings thereon are or will be invested in investments (other than Qualified Tax Exempt Obligations) having a Yield that is substantially guaranteed for four years or more. No portion of the Bonds is being issued solely for the purpose of investing a portion of Sale Proceeds or investment earnings thereon at a Yield higher than the Yield on the Bonds.

It is expected that the Sale Proceeds deposited into the Project Fund, plus investment earnings on the Project Fund, will be spent to pay costs of the Project, including any capitalized interest on the Bonds, in accordance with the estimated drawdown schedule contained in the Exhibit, the investment earnings on the Bond Fund will be spent to pay interest on the Bonds, or to the extent permitted by law, investment earnings on amounts in the Project Fund and the Bond Fund may be commingled with substantial revenues from the governmental operations of the District, and the earnings are reasonably expected to be spent for governmental purposes within six months of the date commingled. Interest earnings on the Project Fund and the Bond Fund have not been earmarked or restricted by the Board for a designated purpose.

2.8. **No Grants.** None of the Sale Proceeds or investment earnings thereon will be used to make grants to any person.
2.9. Hedges. Neither the District nor any member of the same Controlled Group as the District has entered into or expects to enter into any hedge (e.g., an interest rate swap, interest rate cap, futures contract, forward contract or an option) with respect to the Bonds. The District acknowledges that any such hedge could affect, among other things, the calculation of Bond Yield under the Regulations. The IRS could recalculate Bond Yield if the failure to account for the hedge fails to clearly reflect the economic substance of the transaction. The District acknowledges that if it wishes to take any such hedge into account in determining Bond Yield, various requirements under the Regulations, including prompt identification of the hedge with the Bonds on the District’s books and records, need to be met.

The District also acknowledges that if it acquires a hedging contract with an investment element (including e.g., an off-market swap agreement, or any cap agreement for which all or a portion of the premium is paid at, or before the effective date of the cap agreement), then a portion of such hedging contract may be treated as an investment of Gross Proceeds of the Bonds, and be subject to the fair market purchase price rules, rebate and Yield restriction. The District agrees not to use proceeds of the Bonds to pay for any such hedging contract in whole or in part. The District also agrees that it will not give any assurances to any Bondholder or any credit or liquidity enhancer with respect to the Bonds that any such hedging contract will be entered into or maintained. The District recognizes that if a portion of a hedging contract is determined to be an investment of Gross Proceeds, such portion may not be fairly priced even if the hedging contract as a whole is fairly priced.

2.10. IRS Audits. The IRS has not contacted the District regarding any obligations issued by or on behalf of the District. To the best of the knowledge of the District, no such obligations of the District are currently under examination by the IRS.

3.1. Use of Proceeds. (a) The use of the Sale Proceeds and investment earnings thereon and the funds held under this Ordinance at the time of Closing are described in the preceding Section of this Ordinance. No Sale Proceeds and no investment earnings thereon will be used to pre-pay for goods or services to be received more than ninety days prior to the date such goods or services are to be received. No Sale Proceeds and no investment earnings thereon will be used to pay for or otherwise acquire goods or services from the District, any member of the same Controlled Group as the District, or an Affiliated Person.

(b) Only the funds and accounts described in said Section will be funded at Closing. There are no other funds or accounts created under this Ordinance, other than the Rebate Fund if it is created as provided in paragraph 4.1.

(c) Principal of and interest on the Bonds will be paid from the Bond Fund.

(d) Costs of Issuance incurred in connection with the issuance of the Bonds to be paid by the District will be paid at the time of Closing.
(e) The costs of the Project will be paid from the Project Fund and no other moneys (except for investment earnings on amounts in the Project Fund) are expected to be deposited therein.

3.2. **Purpose of Bond Fund.** The Bond Fund (other than the Reserve Portion of the Bond Fund) will be used primarily to achieve a proper matching of revenues and earnings with principal and interest payments on the Bonds in each bond year. It is expected that the Bond Fund (other than the Reserve Portion of the Bond Fund) will be depleted at least once a year, except for a reasonable carry over amount not to exceed the greater of (a) the earnings on the investment of moneys in the Bond Fund (other than the Reserve Portion of the Bond Fund) for the immediately preceding bond year or (b) 1/12th of the principal and interest payments on the Bonds for the immediately preceding bond year.

The District will levy taxes to produce an amount sufficient to pay all principal of and interest on the Bonds in each bond year. To minimize the likelihood of an insufficiency, the amount levied to pay the Bonds may in most years be in excess of the amount extended to pay principal and interest within one year of collection. Nevertheless, except for the Reserve Portion of the Bond Fund, the Bond Fund will be depleted each year as described above. The Reserve Portion of the Bond Fund will be treated as a separate account not treated as part of the bona fide debt service fund. The Reserve Portion of the Bond Fund is subject to Yield restriction requirements except as it may otherwise be excepted as provided in 5.2 below. It is also subject to the rebate requirements.

3.3. **No Other Gross Proceeds.** (a) Except for the Bond Fund and the Project Fund, and except for investment earnings that have been commingled as described in paragraph 2.7 and any credit enhancement or liquidity device related to the Bonds, after the issuance of the Bonds, neither the District, any member of the same Controlled Group as the District nor any other Person has or will have any property, including cash, securities or will have any property, including cash, securities or any other property held as a passive vehicle for the production of income or for investment purposes, that constitutes:

(i) Sale Proceeds;

(ii) amounts in any fund or account with respect to the Bonds (other than the Rebate Fund);

(iii) amounts that have a sufficiently direct nexus to the Bonds or to the governmental purpose of the Bonds to conclude that the amounts would have been used for that governmental purpose if the Bonds were not used or to be used for that governmental purpose (the mere availability or preliminary earmarking of such amounts for a governmental purpose, however, does not itself establish such a sufficient nexus);
(iv) amounts in a debt service fund, redemption fund, reserve fund, replacement fund or any similar fund to the extent reasonably expected to be used directly or indirectly to pay principal of or interest on the Bonds or any amounts for which there is provided, directly or indirectly, a reasonable assurance that the amount will be available to pay principal of or interest on the Bonds or any obligations under any credit enhancement or liquidity device with respect to the Bonds, even if financial difficulties are encountered;

(v) any amounts held pursuant to any agreement (such as an agreement to maintain certain levels of types of assets) made for the benefit of the Bondholders or any credit enhancement provider, including any liquidity device or negative pledge (e.g., any amount pledged to secure the Bonds held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of holders of the Bonds or a guarantor of the Bonds); or

(vi) amounts actually or constructively received from the investment and reinvestment of the amounts described in (i) or (ii) above.

(b) No compensating balance, liquidity account, negative pledge of property held for investment purposes required to be maintained at least at a particular level or similar arrangement exists with respect to, in any way, the Bonds or any credit enhancement or liquidity device related to the Bonds.

(c) One hundred twenty percent of the average reasonably expected economic life of the Project is at least 1 year. The weighted average maturity of the Bonds does not exceed 1 year and does not exceed 120 percent of the average reasonably expected economic life of the Project. The maturity schedule of the Bonds (the "Principal Payment Schedule") is based on an analysis of revenues expected to be available to pay debt service on the Bonds. The Principal Payment Schedule is not more rapid (i.e., having a lower average maturity) because a more rapid schedule would place an undue burden on tax rates and cause such rates to be increased beyond prudent levels, and would be inconsistent with the governmental purpose of the Bonds as set forth in paragraph 2.1 hereof.

3.4. Final Allocation of Proceeds. Subject to the requirements of this Section, including those concerning working capital expenditures in paragraph 2.4, the District may generally use any reasonable, consistently applied accounting method to account for Gross Proceeds, investments thereon, and expenditures. The District must account for the final allocation of proceeds of the Bonds to expenditures not later than 18 months after the later of the date the expenditure is paid or the date the property with respect to which the expenditure is made is Placed-in-Service. This allocation must be made in any event by the date 60 days after the fifth anniversary of the issue date of the Bonds or the date 60 days after the retirement of the Bonds, if earlier.

Reasonable accounting methods for allocating funds include any of the following methods if consistently applied: a specific tracing method; a Gross Proceeds spent first
method; a first-in, first-out method; or a ratable allocation method. The District may also reallocate proceeds of the Bonds from one expenditure to another until the end of the period for final allocation, discussed above. Unless the District has taken an action to use a different allocation method by the end of the period for a final allocation, proceeds of the Bonds will be treated as allocated to expenditures using the specific tracing method.

4.1. Compliance with Rebate Provisions. The District covenants to take such actions and make, or cause to be made, all calculations, transfers and payments that may be necessary to comply with the Rebate Provisions applicable to the Bonds. The District will make, or cause to be made, rebate payments with respect to the Bonds in accordance with law.

The District is hereby authorized to create and establish a special fund to be known as the Rebate Fund (the “Rebate Fund”), which, if created, shall be continuously held, invested, expended and accounted for in accordance with this Ordinance. Moneys in the Rebate Fund shall not be considered moneys held for the benefit of the owners of the Bonds. Moneys in the Rebate Fund (including earnings and deposits therein) shall be held and used for any required payment to the United States as required by the Rebate Provisions and by the Regulations and as contemplated under the provisions of this Ordinance.

4.2. Records. The District agrees to keep and retain or cause to be kept and retained for the period described in paragraph 7.9 adequate records with respect to the investment of all Gross Proceeds and any amounts in the Rebate Fund. Such records shall include: (a) purchase price; (b) purchase date; (c) type of investment; (d) accrued interest paid; (e) interest rate; (f) principal amount; (g) maturity date; (h) interest payment date; (i) date of liquidation; and (j) receipt upon liquidation.

If any investment becomes Gross Proceeds on a date other than the date such investment is purchased, the records required to be kept shall include the fair market value of such investment on the date it becomes Gross Proceeds. If any investment ceases to be Gross Proceeds on a date other than the date such investment is sold or is retained after the date the last Bond is retired, the records required to be kept shall include the fair market value of such investment on the date the last Bond is retired. Amounts or investments will be segregated whenever necessary to maintain these records.

4.3. Fair Market Value; Certificates of Deposit and Investment Agreements. In making investments of Gross Proceeds and any amounts in the Rebate Fund the District shall take into account prudent investment standards and the date on which such moneys may be needed. Except as provided in the next sentence, all amounts that constitute Gross Proceeds and all amounts in the Rebate Fund shall be invested at all times to the greatest extent practicable, and no amounts may be held as cash or be invested in zero yield investments other than obligations of the United States purchased directly from the United States. In the event moneys cannot be invested, other than as provided in this sentence due to the denomination, price or availability of investments,
the amounts shall be invested in an interest bearing deposit of a bank with a yield not less than that paid to the general public or held uninvested to the minimum extent necessary.

Gross Proceeds and any amounts in the Rebate Fund that are invested in certificates of deposit or in GICs shall be invested only in accordance with the following provisions:

(a) Investments in certificates of deposit of banks or savings and loan associations that have a fixed interest rate, fixed payment schedules and substantial penalties for early withdrawal shall be made only if either (i) the Yield on the certificate of deposit (A) is not less than the Yield on reasonably comparable direct obligations of the United States and (B) is not less than the highest Yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public or (ii) the investment is an investment in a GIC and qualifies under paragraph (b) below. Investments in federally insured deposits or accounts, including certificates of deposit, may not be made except as allowed under paragraph 5.4.

(b) Investments in GICs shall be made only if

(i) the bid specifications are in writing, include all material terms of the bid and are timely forwarded to potential providers (a term is material if it may directly or indirectly affect the yield on the GIC);

(ii) the terms of the bid specifications are commercially reasonable (a term is commercially reasonable if there is a legitimate business purpose for the term other than to reduce the yield on the GIC);

(iii) all bidders for the GIC have equal opportunity to bid so that, for example, no bidder is given the opportunity to review other bids (a last look) before bidding;

(iv) any agent used to conduct the bidding for the GIC does not bid to provide the GIC;

(v) at least three of the providers solicited for bids for the GIC are reasonably competitive providers of investments of the type purchased (i.e., providers that have established industry reputations as competitive providers of the type of investments being purchased);

(vi) at least three of the entities that submit a bid do not have a financial interest in the Bonds;
(vii) at least one of the entities that provided a bid is a reasonably competitive provider that does not have a financial interest in the Bonds;

(viii) the bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the District or any other Person (whether or not in connection with the Bonds) and that the bid is not being submitted solely as a courtesy to the District or any other Person for purposes of satisfying the federal income tax requirements relating to the bidding for the GIC;

(ix) the determination of the terms of the GIC takes into account the reasonably expected deposit and drawdown schedule for the amounts to be invested;

(x) the highest-yielding GIC for which a qualifying bid is made (determined net of broker’s fees) is in fact purchased; and

(xi) the obligor on the GIC certifies the administrative costs that it is paying or expects to pay to third parties in connection with the GIC.

A single investment, or multiple investments awarded to a provider based on a single bid, may not be used for funds subject to different rules relating to rebate or yield restriction.

(c) If a GIC is purchased, the District will retain the following records with its bond documents until three years after the Bonds are redeemed in their entirety:

(i) a copy of the GIC;

(ii) the receipt or other record of the amount actually paid for the GIC, including a record of any administrative costs paid, and the certification under subparagraph (b)(xi) of this paragraph;

(iii) for each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results; and

(iv) the bid solicitation form and, if the terms of the GIC deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.
All investments made with Gross Proceeds or amounts in the Rebate Fund shall be bought and sold at fair market value. The fair market value of an investment is the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm’s length transaction. Except for investments specifically described in (a) or (b) of this paragraph and United States Treasury obligations that are purchased directly from the United States Treasury, only investments that are traded on an established securities market, within the meaning of regulations promulgated under Section 1273 of the Code, will be purchased with Gross Proceeds. In general, an investment is traded on an established securities market only if at any time during the 31-day period ending 15 days after the purchase date: (i) within a reasonable period of time after the sale, the price for an executed purchase or sale of the investment (or information sufficient to calculate the sales price) appears in a medium that is made available to issuers of debt instruments, persons that regularly purchase or sell debt instruments (including a price provided only to certain customers or to subscribers), or persons that broker purchases or sales of debt instruments; (ii) there are one or more firm quotes for the investment (a firm quote is considered to exist when a price quote is available from at least one broker, dealer, or pricing service (including a price provided only to certain customers or to subscribers) for property and the quoted price is substantially the same as the price for which the person receiving the quoted price could purchase or sell the property; a price quote is considered to be available whether the quote is initiated by a person providing the quote or provided at the request of the person receiving the quote; the identity of the person providing the quote must be reasonably ascertainable for a quote to be considered a firm quote for this purpose; a quote will be considered a firm quote if the quote is designated as a firm quote by the person providing the quote or if market participants typically purchase or sell, as the case may be, at the quoted price, even if the party providing the quote is not legally obligated to purchase or sell at that price); or (iii) there are one or more indicative quotes for the investment (an indicative quote is considered to exist when a price quote is available from at least one broker, dealer, or pricing service (including a price provided only to certain customers or to subscribers) for property and the price quote is not a firm quote described in the prior clause). However, a maturity of a debt instrument is not treated as traded on an established market if at the time the determination is made the outstanding stated principal amount of the maturity that includes the debt instrument does not exceed $100,000,000 (or, for a debt instrument denominated in a currency other than the U.S. dollar, the equivalent amount in the currency in which the debt instrument is denominated).

An investment of Gross Proceeds in an External Commingled Fund shall be made only to the extent that such investment is made without an intent to reduce the amount to be rebated to the United States Government or to create a smaller profit or a larger loss than would have resulted if the transaction had been at arm’s length and had the rebate or Yield restriction requirements not been relevant to the District. An investment of Gross Proceeds shall be made in a Commingled Fund other than an External Commingled Fund only if the investments made by such Commingled Fund satisfy the provisions of this paragraph 4.3.
The foregoing provisions of this paragraph satisfy various safe harbors set forth in
the Regulations relating to the valuation of certain types of investments. The safe harbor
provisions of this paragraph are contained herein for the protection of the District, who
has covenanted not to take any action to adversely affect the tax-exempt status of the
interest on the Bonds. The District may contact Bond Counsel if it does not wish to
comply with the provisions of this paragraph 4.3.

4.4. Arbitrage Elections. The President, Secretary and Treasurer of the Board
are hereby authorized to execute one or more elections regarding certain matters with
respect to arbitrage.

4.5. Small Issuer Exception. (a) The District is a governmental unit that has
the power to impose a tax or to cause another entity to impose a tax of general
applicability (not limited to a small number of Persons) that, when collected, may be used
for the governmental purposes of the District. The power to impose such tax is not
contingent on approval by another governmental unit.

(b) 95% or more of the Sale Proceeds and investment earnings thereon will be
used for local governmental activities of the District.

(c) The District is not subject to the Control of any entity, and there are no
entities subject to Control of the District that during calendar year 2017 issued or are
expected to issue tax-exempt obligations, or any qualified zone academy bonds, qualified
school construction bonds, or any other obligations subject to the arbitrage restrictions of
Section 148 of the Code of any kind ("Tax Advantaged Bonds"). During calendar year
2017, the District has not issued and does not expect to issue tax-exempt obligations or
Tax Advantaged Bonds on behalf of any other entity. The District has not borrowed and
does not expect to borrow the proceeds or otherwise use the proceeds of any tax-exempt
obligations or Tax Advantaged Bonds issued by another entity during calendar year 2017.

(d) The par amount of the Bonds does not exceed $5,000,000 and the Issue
Price of the Bonds does not exceed $5,000,000.

(e) In calendar year 2017, no entity has issued and the District does not expect
any entity to issue obligations that do not provide a material benefit to that entity and
which, but for the size limitations of the small issuer exception of the Rebate Provisions,
would have been or would be issued (A) by or on behalf of the District or (B) by any
entity subject to Control by the District (including any entity that might hereafter come
into existence). The District will receive a substantial benefit from the project financed
by the Bonds.
(f) In calendar year 2017, no tax-exempt obligations or tax-advantaged bonds of any kind have been issued or are reasonably expected to be issued (A) by or on behalf of the District or (B) by any entity subject to Control by the District (including any entity that may hereafter come into existence) other than the Bonds.

(g) The District acknowledges that the future issuance of tax-exempt obligations, or tax-advantaged bonds by the District or any entity subject to the Control of the entity or other actions contrary to the expectations of this paragraph 4.5 could cause the proceeds of the Bonds to be subject to the rebate requirement of Section 148(f) of the Code. The District covenants to make all payments of rebate under Section 148(f) of the Code with respect to the Bonds as required.

5.1. **Issue Price.** For purposes of determining the Yield on the Bonds, the purchase price of the Bonds is equal to the price being paid to the District by the Purchaser. The Purchaser has certified that it is buying the Bonds as an investment for its own account with no intention to resell the Bonds, and that the purchase price of each of the Bonds is not less than the fair market value of the Bond as of the date the Purchaser agreed to buy the Bonds.

5.2. **Yield Limits.** (a) Except as provided in paragraph (b), all Gross Proceeds shall be invested at market prices and at a Yield (after taking into account any Yield Reduction Payments) not in excess of the Yield on the Bonds plus, if only amounts in the Project Fund are subject to this Yield limitation, 1/8th of one percent.

(b) The following may be invested without Yield restriction:

   (i) amounts qualifying for a temporary period consisting of:

      (A) amounts on deposit in the Bond Fund (except for capitalized interest) (other than the Reserve Portion of the Bond Fund) that have not been on deposit under this Ordinance for more than 13 months, so long as the Bond Fund continues to qualify as a bona fide debt service fund as described in paragraph 3.2 hereof;

      (B) amounts on deposit in the Project Fund prior to the earlier of three years after Closing or the date the District no longer expects to spend all such amounts;

   (ii) amounts qualifying for other exceptions consisting of:

      (A) an amount not to exceed the lesser of $100,000 or five percent of the Sale Proceeds;

      (B) amounts invested in Qualified Tax Exempt Obligations;

      (C) amounts in the Rebate Fund;
(D) all amounts other than Sale Proceeds for the first 30 days after they become Gross Proceeds; and

(E) all amounts derived from the investment of Sale Proceeds or investment earnings thereon for a period of one year from the date received.

5.3. Federal Guarantees. Except as otherwise permitted by the Regulations, no portion of the payment of principal or interest on the Bonds or any credit enhancement or liquidity device relating to the foregoing is or will be guaranteed, directly or indirectly (in whole or in part), by the United States (or any agency or instrumentality thereof), including a lease, incentive payment, research or output contract or any similar arrangement, agreement or understanding with the United States or any agency or instrumentality thereof. No portion of the Gross Proceeds has been or will be used to make loans the payment of principal or interest with respect to which is or will be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof). This paragraph does not apply to any guarantee by the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, the Student Loan Marketing Association or the Bonneville Power Administration pursuant to the Northwest Power Act (16 U.S.C. 839d) as in effect on the date of enactment of the Tax Reform Act of 1984.

5.4. Federally Guaranteed Investments. (a) Certain Gross Proceeds may not be invested in a manner that is considered to create a federal guarantee. The restrictions in this paragraph 5.4 apply to all Gross Proceeds except:

(i) amounts on deposit in the Project Fund prior to the earlier of three years after Closing or the date the District no longer expects to spend all such amount;

(ii) amounts on deposit in the Bond Fund (other than the Reserve Portion of the Bond Fund) to the extent the Bond Fund qualifies as a bona fide debt service fund described in paragraph 3.2; and

(iii) amounts in the Bond Fund to be used to pay capitalized interest on the Bonds prior to the earlier of three years after Closing or the payment of all capitalized interest.

(b) If the District holds any Gross Proceeds other than those listed in the preceding paragraph (a), then any such Gross Proceeds in an amount in excess of five percent of the Sale Proceeds shall not be invested in:

(i) federally insured deposits or accounts, such as bank accounts and C.D.s;
(ii) obligations of or directly or indirectly guaranteed, in whole or in part, by the United States (or any agency or instrumentality of the United States), other than the following:

(a) United States Treasury Obligations;

(b) obligations issued by the Resolution Funding Corporation pursuant to Section 21B(d)(3) of the Federal Home Loan Bank Act, as amended by Section 511 of the Financial Institutions Reform, Recovery and Enforcement Act of 1989, or any successor provision (e.g., Refcorp Strips); and

(c) obligations guaranteed by the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, the Student Loan Marketing Association or the Bonneville Power Administration pursuant to the Northwest Power Act (16 U.S.C. 839d) as in effect on the date of enactment of the Tax Reform Act of 1984.

Because of these investment limitations, after the date three years after Closing, any amounts remaining in the Project Fund must be invested in U.S. Treasury obligations (including obligations of the State and Local Government Series, known as SLGS) or otherwise invested to avoid violating the restrictions set forth in this section.

6.1. Payment and Use Tests. (a) No more than five percent of the Sale Proceeds plus investment earnings thereon (not including amounts used to pay Costs of Issuance and other common costs (such as capitalized interest and fees paid for a qualified guarantee or qualified hedge) and amounts invested in a reserve or replacement fund), will be used, directly or indirectly, in whole or in part, in any Private Business Use.

(b) The payment of more than five percent of the principal of or the interest on the Bonds will not be, directly or indirectly (i) secured by any interest in (A) property used or to be used in any Private Business Use or (B) payments in respect of such property or (ii) on a present value basis, derived from payments (whether or not to the District or a member of the same Controlled Group as the District) in respect of property, or borrowed money, used or to be used in any Private Business Use.

(c) No more than the lesser of five percent of the sum of the Sale Proceeds and investment earnings thereon (not including amounts used to pay Costs of Issuance and other common costs (such as capitalized interest and fees paid for a qualified guarantee or qualified hedge) and amounts invested in a reserve or replacement fund) or $5,000,000 will be used, directly or indirectly, to make or finance loans to any persons.
(d) No user of the Project other than a state or local governmental unit will use more than five percent of the Project, in the aggregate, on any basis other than the same basis as the general public.

6.2. *IRS Form 8038-G.* The information contained in the Information Return for Tax-Exempt Governmental Obligations, Form 8038-G, is true and complete. The District will file Form 8038-G (and all other required information reporting forms) in a timely manner.

6.3. *Bank Qualification.* (a) The District hereby designates each of the Bonds as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code.

(b) The District has not entered into and will not enter into any agreements under which obligations issued by any other entity in calendar year 2017 were or will be allocated to the District for purposes of Section 265(b)(3) of the Code.

(c) The District is not subject to the Control of any entity, and there are no entities subject to Control of the District that issued or may issue tax-exempt obligations during calendar year 2017. During calendar year 2017, the District has not and will not issue tax-exempt bonds on behalf of any other entity. The District has not and will not borrow the proceeds or otherwise use the proceeds of any tax-exempt bonds issued by another entity during calendar year 2017.

(d) The par amount of the Bonds does not exceed $10,000,000 and the Issue Price of the Bonds does not exceed $10,000,000. The Bonds have not been sold in conjunction with any other obligations.

(e) In calendar year 2017, other than the Bonds, no tax-exempt obligations of any kind have been issued, are reasonably expected to be issued, or will be issued (A) by or on behalf of the District or (B) by any entity subject to Control by the District (including any entity which may hereafter come into existence).

(f) In calendar year 2017, no entity has issued or will issue tax-exempt obligations which, but for the $10,000,000 limitations of Section 265(b)(3) of the Code would have been or would be issued (A) by or on behalf of the District or (B) by any entity subject to Control by the District (including any entity which may hereafter come into existence). The District will receive substantial benefits from the project financed by the Bonds.

(g) The District may take an action or permit an action to be taken that is contrary to the requirements of this paragraph 6.3 only if, in addition to the requirements of paragraph 7.8, the action will not adversely affect the treatment of the Bonds as “qualified tax-exempt obligations” for the purpose and within the meaning of Section 265(b)(3) of the Code and the District obtains an opinion of Bond Counsel to that effect.
7.1. **Termination.** The terms and provisions set forth in this Section shall terminate at the later of (a) 75 days after the Bonds have been fully paid and retired or (b) the date on which all payments, if any, required to satisfy the Rebate Provisions of the Code have been made to the United States. Notwithstanding the foregoing, the provisions of paragraphs 4.2, 4.3(c) and 7.9 hereof shall not terminate until the third anniversary of the date the Bonds are fully paid and retired.

7.2. **Separate Issue.** Since a date that is 15 days prior to the date of sale of the Bonds by the District to the Purchaser, neither the District nor any member of the same Controlled Group as the District has sold or delivered any tax-exempt obligations other than the Bonds that are reasonably expected to be paid out of substantially the same source of funds as the Bonds. Neither the District nor any member of the same Controlled Group as the District will sell or deliver within 15 days after the date of sale of the Bonds any tax-exempt obligations other than the Bonds that are reasonably expected to be paid out of substantially the same source of funds as the Bonds.

7.3. **No Sale of the Project.** (a) Other than as provided in the next sentence, neither the Project nor any portion thereof has been, is expected to be, or will be sold or otherwise disposed of, in whole or in part, prior to the earlier of (i) the last date of the reasonably expected economic life to the District of the property (determined on the date of issuance of the Bonds) or (ii) the last maturity date of the Bonds. The District may dispose of personal property in the ordinary course of an established government program prior to the earlier of (i) the last date of the reasonably expected economic life to the District of the property (determined on the date of issuance of the Bonds) or (ii) the last maturity of the Bonds, provided: (A) the weighted average maturity of the Bonds financing the personal property is not greater than 120 percent of the reasonably expected actual use of that property for governmental purposes; (B) the District reasonably expects on the issue date that the fair market value of that property on the date of disposition will be not greater than 25 percent of its cost; (C) the property is no longer suitable for its governmental purposes on the date of disposition; and (D) the District deposits amounts received from the disposition in a Commingled Fund with substantial tax or other governmental revenues and the District reasonably expects to spend the amounts on governmental programs within six months from the date of the commingling.

(b) The District acknowledges that if Bond-financed property is sold or otherwise disposed of in a manner contrary to (a) above, such sale or disposition may constitute a "deliberate action" within the meaning of the Regulations that may require prompt remedial actions to prevent interest on the Bonds from being included in gross income for federal income tax purposes. The District shall promptly contact Bond Counsel if a sale or other disposition of Bond-financed property in a manner contrary to (a) above is considered by the District.

7.4. **Purchase of Bonds by District.** The District will not purchase any of the Bonds except to cancel such Bonds.
7.5. *Final Maturity.* The period between the date of Closing and the final maturity of the Bonds is not more than 10-1/2 years.

7.6. *Registered Form.* The District recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon be exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the District agrees that it will maintain the Bonds in registered form and will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

7.7. *Future Events.* The District acknowledges that any changes in facts or expectations from those set forth herein may result in different Yield restrictions or rebate requirements from those set forth herein. The District shall promptly contact Bond Counsel if such changes do occur.

7.8. *Permitted Changes; Opinion of Bond Counsel.* Any restriction or covenant contained in this Section need not be observed, and any provision of this Section may be changed or amended, only if (in addition to any requirements for a particular change contained elsewhere in this Section) such nonobservance, change or amendment will not result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds or the inclusion of interest on the Bonds as an item of tax preference in computing the alternative minimum tax for individuals or corporations under the Code and the District receives an opinion of Bond Counsel to such effect.

7.9. *Records Retention.* The District agrees to keep and retain or cause to be kept and retained sufficient records to support the continued exclusion of the interest paid on the Bonds from federal income taxation, to demonstrate compliance with the covenants in this Ordinance and to show that all tax returns related to the Bonds submitted or required to be submitted to the IRS are correct and timely filed. Such records shall include, but are not limited to, basic records relating to the Bond transaction (including this Ordinance and the Bond Counsel opinion); documentation evidencing the expenditure of Bond proceeds; documentation evidencing the use of Bond-financed property by public and private entities (*i.e.*, copies of leases, management contracts and research agreements); documentation evidencing all sources of payment or security for the Bonds; and documentation pertaining to any investment of Bond proceeds (including the information required under paragraphs 4.2 and 4.3 hereof and in particular information related to the purchase and sale of securities, SLGs subscriptions, yield calculations for each class of investments, actual investment income received from the investment of proceeds, guaranteed investment contracts and documentation of any bidding procedure related thereto and any fees paid for the acquisition or management of investments and any rebate calculations). Such records shall be kept for as long as the Bonds are outstanding, plus three (3) years after the later of the final payment date of the Bonds or the final payment date of any obligations or series of obligations issued to refund directly or indirectly all or any portion of the Bonds.
7.10. Post-Issuance Compliance Policy. Post-Issuance Compliance Policy. The District acknowledges that the IRS encourages issuers of tax-exempt bonds to adopt written post-issuance compliance policies in addition to its bond documents. Post-issuance compliance policies may include provisions that specify the official(s) with responsibility for monitoring compliance, a description of the training provided to such responsible official(s) with regard to monitoring compliance, the frequency of compliance checks (must be at least annual), the nature of the compliance activities required to be undertaken, the procedures used to timely identify and elevate the resolution of a violation when it occurs or is expected to occur, procedures for the retention of all records material to substantiate compliance with the applicable federal tax requirements, and an awareness of the availability of the IRS’ voluntary closing agreement program and other remedial actions to resolve violations.

The District has adopted written post-issuance compliance policies which are maintained by the District separately. The post-issuance compliance policies do not constitute part of this Section, and the District may modify or eliminate any post-issuance compliance policies without the consent of the holders of the Bonds and without regard to paragraph 7.8.

7.11. Successors and Assigns. The terms, provisions, covenants and conditions of this Section shall bind and inure to the benefit of the respective successors and assigns of the Board and the District.

7.12. Expectations. The Board has reviewed the facts, estimates and circumstances in existence on the date of issuance of the Bonds. On the basis of the facts and estimates contained herein, the District has adopted the expectations contained herein. Such expectations are reasonable and there are no other facts, estimates and circumstances that would materially change such expectations.

The District also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Board hereby authorizes the officials of the District responsible for issuing the Bonds, the same being the President, Secretary and Treasurer of the Board, to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be exempt from federal income taxation. In connection therewith, the District and the Board further agree:
(a) through their officers, to make such further specific covenants, representations as shall be
truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving
the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as
necessary, such sums of money representing required rebates of excess arbitrage profits relating
to the Bonds; (d) to file such forms, statements, and supporting documents as may be required
and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and
pay fiscal agents, financial advisors, attorneys, and other persons to assist the District in such
compliance.

Section 12. List of Bondholders. The Bond Registrar shall maintain a list of the names
and addresses of the holders of all Bonds and upon any transfer shall add the name and address
of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 13. Duties of Bond Registrar. If requested by the Bond Registrar, the President
and Secretary of the Board are authorized to execute the Bond Registrar’s standard form of
agreement between the District and the Bond Registrar with respect to the obligations and duties
of the Bond Registrar hereunder which may include the following:

(a) to act as bond registrar, authenticating agent, paying agent and transfer
agent as provided herein;

(b) to maintain a list of Bondholders as set forth herein and to furnish such list
to the District upon request, but otherwise to keep such list confidential;

(c) to cancel and/or destroy Bonds which have been paid at maturity or
submitted for exchange or transfer;

(d) to furnish the District at least annually a certificate with respect to Bonds
cancelled and/or destroyed; and

(e) to furnish the District at least annually an audit confirmation of Bonds
paid, Bonds outstanding and payments made with respect to interest on the Bonds.
Section 14. Record-Keeping Policy and Post-Issuance Compliance Matters. On January 15, 2013, the Board adopted a record-keeping policy (the “Policy”) in order to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the debt obligations of the District, the interest on which is excludable from “gross income” for federal income tax purposes or which enable the District or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds. The Board and the District hereby reaffirm the Policy.

Section 15. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 16. Repeal. All ordinances, resolutions or parts thereof in conflict herewith be and the same are hereby repealed and this Ordinance shall be in full force and effect forthwith upon its adoption.
