PEACE PLEDGE

I pledge to use my words to speak in a kind way.

I pledge to help others as I go throughout my day.

I pledge to care for our earth with my healing heart and hands.

I pledge to respect people in each and every land.

I pledge to join together as we unite big and small.

I pledge to do my part to create PEACE for one and all.

7. Pipes Of Peace

Paul McCartney

I light a candle to our love
In love our problems disappear
But all in all we soon discover
That one and one is all we long to hear

All round the world
Little children being born to the world
Got to give them all we can till the war is won
Then will the work be done

Help them to learn (help them to learn)
Songs of joy instead of burn, baby, burn, (burn, baby
burn)
Let us show them how to play the pipes of peace
Play the pipes of peace

1. Peace Train

Cat Stevens

Now I've been happy lately
Thinking about the good things to come
And I believe it could be
Something good has begun
Oh, I've been smiling lately
Dreaming about the world as one
And I believe it could be
Someday it's going to come

'Cause I'm on the edge of darkness
There rides the Peace Train
Oh, Peace Train take this country
Come take me home again

Now I've been smiling lately,
Thinkin' about the good things to come
And I believe it could be,
Something good has begun

Oh Peace Train sounding louder
Glide on the Peace Train

Oo—ii-ee-ii-oo-aa
Come on the Peace Train
Yea, Peace Train holy roller

Everyone jump on the Peace Train
Oo—ii-ee-ii-oo-aa
Come on now, Peace Train

6. Blowin' In The Wind

Bob Dylan

How many roads must a man walk down
Before you call him a man?
How many seas must the white dove sail
Before she sleeps in the sand?
Yes, and how many times must the cannonballs fly
Before they're forever banned?

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

Yes, and how many years can a mountain exist
'Fore it is washed to the sea?
Yes, and how many years can some people exist
Before they're allowed to be free?
Yes, and how many times can a man turn his head
And pretend that he just doesn't see?

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

5. I'd Like to Teach the World to Sing

The New Seekers

I'd like to build the world a home
And furnish it with love
Grow apple trees and honey bees
And snow white turtle doves

I'd like to teach the world to sing
In perfect harmony
I'd like to hold it in my arms
And keep it company

I'd like to see the world for once
All standing hand in hand
And hear them echo through the hills
For peace through out the land
(That's the song I hear)

I'd like to teach the world to sing
In perfect harmony

I'd like to teach the world to sing
In perfect harmony

2. What the World Needs Now

Jackie DeShannon

What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love,
No not just for some but for everyone.

Lord, we don't need another mountain,
There are mountains and hillsides enough to climb
There are oceans and rivers enough to cross,
Enough to last till the end of time.

What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love,
No, not just for some but for everyone.

Lord, we don't need another meadow
There are cornfields and wheat fields enough to grow
There are sunbeams and moonbeams enough to shine
Oh listen, lord, if you want to know.

What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love,
No, not just for some, oh but just for everyone.

3. Imagine

John Lennon, Plastic Ono Band

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people living life in peace, you

You may say I'm a dreamer
But I'm not the only one
I hope some day you'll join us
And the world will be as one

4. What a Wonderful World

Louis Armstrong

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself what a wonderful world

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself what a wonderful world

The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying how do you do
They're really saying I love you

I hear babies crying, I watch them grow
They'll learn much more than I'll never know
And I think to myself what a wonderful world
Yes I think to myself what a wonderful world
