

SHARE YOUR STORY

2020 COVID-19 JOURNAL PROJECT

The Batavia Historical Society and the Batavia Depot Museum are actively documenting the impact of COVID-19 on Batavia and the world. It is your documentation of your experience living during the COVID-19 pandemic and quarantine that will allow the Historical Society to share history with people living 100 years from now.

EVERY STORY IS IMPORTANT.

The Historical Society is seeking individuals and organizations from all walks of life, different backgrounds and cultures. We're asking you to keep a 30, 60, or 90-day journal in whatever format works best for you.

It could be written, recorded on audio or video, photographed or expressed through artwork or any digital file that can be sent to us. How you document your journal is up to you!

Journal entries should provide a summary of your day, and over time document how the pandemic has impacted your life, your family and your perspective of the world. Future generations of Batavians will thank us and our families.

Please contact Amber Foster at the Batavia Depot Museum about digital files and drop-off information at amberf@bataviaparks.org.

BE SAFE & BE WELL!
