

# BE PART OF THE FUN VOLUNTEER

Enhance your life while giving back to the community through various service opportunities with the **Batavia Park District**. Volunteers are essential to the success of our programs and events. Any amount of time you can give will be greatly appreciated.

## Volunteers make a huge impact on the community.

Across the country, more than a quarter of a million people have donated their time and expertise as volunteers for park and recreation programs and services, saving taxpayers millions of dollars in personnel costs.

### Who Can Volunteer?

**Individuals and Families** – Choose an activity or special event based on your interests and availability.

**Businesses and Civic Organizations** – Build a company's public image and improve staff morale by building a "team" attitude by contributing staff and/or resources.

**Teens and School Groups** – Boys and girls 14 years and older are invited to gain valuable work experience or fulfill service hours for school or other organizations.
